

How to Register

1. To start the registration, please click the button labeled “Go to Registration System” .

You will be directed to the login page to create your personal account.

Please, click “Create New Account” , then enter your name, email address, and other required fields to complete your registration.

2. Each participant must complete the registration individually.
3. Registration is considered complete only after both (1) your basic information has been submitted and (2) your payment has been confirmed.

Please note that registration fees are non-refundable under any circumstances.

4. Once your registration is complete, a confirmation email and a payment completion notice will be sent automatically.

If you do not receive confirmation emails within 24 hours, please contact the Conference Secretariat.

5. Please select your membership category.

Members are required to enter their membership number when creating an account.

Those who are currently applying for membership or who are non-members should enter 99.

6. Please note that Internet Explorer is not supported.

Please use the latest version of Google Chrome, Microsoft Edge, or Safari.

7. Please note that payment can be made by credit card only.
